

TALKING SHOP- FEBRUARY UPDATE

Please find attached the first of our monthly Talking Shop updates.

We are delighted to confirm that we now provide quarterly commercials to ensure stability and enable our partners to plan more effectively than ever before.

As a consequence each printed Talking Shop will now be valid for three months and we hope you appreciate the unique commitment that Avenir is making to your business and the environment.

The next printed issue of Talking Shop will be coming to you in April. In the meantime, you can download the latest updated content from www.avenir-telecom.co.uk.

Of course, we'll let you know in the monthly update if there are any major changes within the quarter, such as the 1st February launch of new O₂ tariffs.

If you do not currently receive a printed copy of Talking Shop, or would like to change the number of copies you receive, please email marketing@avenir-telecom.co.uk

Kind regards

The Marketing Team
